SUBJECT: RENEWED TANK TESTER LICENSE NUMBER 1740

Felix Ramirez,

The State Water Resources Control Board (State Water Board) Office of Tank Tester Licensing (OTTL) has approved your application to renew a tank tester license. Enclosed is your printed pocket card license (Health and Safety Code, Division 20, Chapter 6.7, Section 25284.4(a); California Code of Regulations, Title 23, Division 3, Chapter 17 (Underground Tank Tester Regulations), Section 2713(j)). Your license is effective as of **May 26, 2026**, with an expiration date of **May 31, 2029**. Please retain this letter and the enclosed printed pocket card license for your records.

As a reminder, State Water Board licensed tank testers must submit test notifications and associated integrity test reports to the OTTL using the email address OTTL@waterboards.ca.gov as outlined in the OTTL correspondence dated May 26, 2015 and June 12, 2020. The most recent correspondence can be found on the State Water Boards, OTTL web page (https://www.waterboards.ca.gov/ust/tank_testers/docs/noticetosubmit_2020.pdf), along with the corresponding *Test Notification Form* (https://www.waterboards.ca.gov/ust/tank_testers/docs/testnotification_2020.pdf). Failure to submit test notifications and associated integrity test reports to the OTTL is a violation of Underground Tank Tester Regulations, Section 2772, and may result in disciplinary action.

In addition, State Water Board licensed tank testers are required to complete training from manufacturer(s) for each test method used prior to using any test method, and to submit to the OTTL a certificate of completion or other proof of training issued by the manufacturer(s) before using the test method or equipment (Underground Tank Tester Regulations, Section 2771(c)). State Water Board licensed tank testers are directed to

submit certificate(s) of completion or other proof of training for integrity testing to the OTTL using the email address OTTL@waterboards.ca.gov before they expire. Failure to submit current certificate(s) of completion or other proof of training to the OTTL may result in disciplinary action.

Below are integrity testing method(s) and equipment that the OTTL is licensing you for use:

- *PURPORA ENGINEERING, INC. PETRO TITE LINE TESTER (RIGID AND FLEXIBLE PIPE)*
  Expiration Date April 16, 2027
- *TRIANGLE TEI SYSTEM 5000W*
  Expiration Date July 7, 2028
- *TRIANGLE TEI ULLAGE*
  Expiration Date July 7, 2028

Sincerely,

Tom Henderson
