Congratulations on your new TWIC®!

The 8-digit Personal Identification Number (PIN) for your TWIC® is provided on your care card as shown on the right. The fingers to use with your TWIC® are also indicated on the care card. Please note: as per U.S. Coast Guard maritime regulations, prior to granting you entry, facilities may conduct a visual inspection of your TWIC® card, require that you provide your PIN, or use your fingerprints in order to verify your identity. If you forget your PIN and lose your care card, you will need to visit the UES Enrollment Center nearest you to have your PIN reset.

Your TWIC® has been mailed to you in a separate envelope. If you do not receive your TWIC® within 5 business days of receiving your PIN, please call the UES Call Center at 1-855-DHS-UES1 (1-855-347-8371) Monday through Friday from 8:00 am to 10:00 pm Eastern Time to report a lost card. The UES Call Center will be able to assist in tracking your TWIC® or placing an order for a replacement TWIC® if necessary.

If you have any questions about your TWIC® or require any support, please call the UES Call Center at the number listed above.

For additional information on the TWIC® program, please visit our website at www.tsa.gov/twic

Thank you,

Transportation Security Administration

HANDLING YOUR TWIC®

Protect your card by carrying it in a hard plastic cover.

Do not place or hang in direct sunlight (for example, do not place on dashboard, visor, or hang from rear view mirror of automobile).

Do not flex, bend or punch a hole in the card.

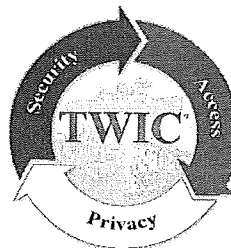

Do not carry the TWIC® in your wallet, as it is subject to bending.

Do not laminate or apply any tape or labels to the TWIC®.

Do not place the card near a magnet or in a strong magnetic field.

Secure this information for reference and do not keep it with your TWIC®.

Congratulations! Your TWIC® application was approved, and your new TWIC® is enclosed.

Please take a moment to check your TWIC® for any visible damage and verify that all personal information on the card is accurate. If any of the information on your TWIC® is incorrect, please call the Universal Enrollment Services (UES) Call Center at 1-855-DHS-UES1 (1-855-347-8371) Monday through Friday from 8:00am to 10:00pm Eastern Time.

The 8-digit Personal Identification Number (PIN) for your TWIC® has been mailed to you in a separate envelope. Please note: as per U.S. Coast Guard maritime regulations, prior to granting you entry, facilities may conduct a visual inspection of your TWIC®, require that you provide your PIN, or use your fingerprints in order to verify your identity.

If you do not receive your PIN within 5 business days of receiving your TWIC®, or have questions regarding your TWIC®, please call the UES Call Center at the number listed above.

To ensure the technology features of your TWIC® continue working for the five-year life of the card, it is recommended that you:

- Keep your TWIC® in the card holder provided when you enrolled;
- Avoid exposing your TWIC® to excessive heat, sunlight, or strong magnets;
- Avoid repeatedly flexing or bending your TWIC®, as may occur in a wallet.

TSA PreCheck® Eligibility

TSA PreCheck is an expedited security screening program providing travelers who depart from U.S. airports and the Lynden Pindling International Airport located in Nassau, Bahamas, with smarter security and a better air travel experience. Active (unexpired) TWIC® card holders who are eligible for TSA PreCheck may receive expedited screening. Eligible TWIC® holders must include their TWIC® card's Credential Identification Number (CIN) in the appropriate "Known Traveler Number" field of their airline reservation. The CIN is printed on the lower left-hand corner on the back of the TWIC®. For information on TSA PreCheck, please visit: www.tsa.gov/precheck Please note: TSA uses unpredictable security measures, both seen and unseen, throughout the airport. All travelers will be screened, and no individual is guaranteed expedited screening.

For additional information on the TWIC® program, please visit our website at www.tsa.gov/for-industry/twic
